CCS WILL BE TAKEN AWAY

PLEASE SEE BELOW

About the Child Care Subsidy (CCS)

- Centrelink / Department of Human Services is the government agency that administers the CCS.
- SDCCC has no control over the amount of CCS the agency provides, over payments or debt recovery.
- Families are responsible to ensure they are entitled to the correct amount of CCS that SDCCC applies to their account in good faith.
- We may provide an estimate of the fees you are to pay after removing the estimated CCS, however failing to meet the commitments required to receive the CCS can result in a subsequent CCS debt owed to the agency.

Why would I incur a CCS Debt

- Vacation care account holders that book children in to our program, then **DO NOT** attend, will incur **FULL FEE**, as Centrelink **WILL** recover any CCS paid for non attendance on a first or last day of care.
- OSHC account holders that have bookings during the school term, then **DO NOT** attend their first day or last day of term, will incur **FULL FEE**, as Centrelink **WILL** recover any CCS paid for non attendance on that first or last day of care.
- Centrelink considers care to have ceased where the service has not been utilised for a period of 8 weeks or greater
- If your child/children were absent resulting in a period of 8 weeks or greater, the agency will create a debt that is calculated back to the last day care was provided.
- Any booked sessions after the last day care was provided (absent days for example) would result in a CCS debt

Your obligations

- You are liable for the full cost of services, irrespective of any CCS you may be entitled to, for the OSHC and Vacation Care
- service as per your signed fee agreement.
- Families are responsible to ensure they are entitled to the correct amount of CCS that SDCCC applies to their account in good faith.
- Any incorrect assumptions, absenteeism or changes directed by the agency that result in a debt will be applied to your account and does not alter the obligations outlined in your fee agreement.
